The Parties may, by way of an agreement, set other time limits than those specified in points (i) and (ii) for the payment of the deposit by the User.

it impossible for the User to use the Room or flat for residential purposes; for the avoidance of doubts, the Parties agree that other defects in the Room or flat (faults) which do not make it impossible for the User to use the Room or flat for residential purposes cannot constitute grounds for refusal to accept the Room or flat by the User.
